### Policy Statement

The Council recognizes the need to develop a standard for snow ploughing the streets in the case of snow fall.

### Procedure:

The Public Works Department shall ensure that the following routes are followed:

1. The commercial area is the first to receive snow removal (main street and surrounding blocks)..
2. 51<sup>st</sup> Street to the school and the arena and then 45<sup>th</sup> Avenue.
3. The west side of the community 51<sup>st</sup> Street West to the community hall and 55<sup>th</sup> Street.
4. East side of 51<sup>st</sup> Street which can be interchanged with #3 depending on circumstances.
5. Main Street residential
6. Alleys only once per week.
7. Driveways will be done as the snowplow advances around the community. (This is usually about 1 ½ hours after, or sooner depending on the following factors:
  - ❖ Depth of the snow
  - ❖ Parked vehicles on streets and avenues
  - ❖ (Normally a driveway takes 5 minutes to clean; parked vehicles take 20 minutes to clean)
8. Special attention will be given to the following on the days that they fall.
  - ❖ Hall bingos and events
  - ❖ Arena tournaments
  - ❖ Funerals at the hall
