Policy Statement

The Council recognizes the need to develop a standard of practise in order to implement an injury reduction program.

Procedure:

The Safety Department shall ensure that the following is followed:

1. Health & Safety Management System Manual.
2. Village of Rycroft Department heads are notified as to the safety needs of their respective departments.
3. Ample funds are allotted in the annual budget by the Council of the Village of Rycroft to maintain the recommended level of safety efficiencies.
4. The Village of Rycroft is committed to complying with all pertinent legislation including the Occupational Health and Safety legislation, regulations and codes.
