

Proposed

eReserve1 Battery Storage Project

Community Open House

**Rycroft Community Hall
5208 47th Avenue, Rycroft, Alberta**

Wednesday November 27th, 2019 – 6pm to 9pm

TERIC Power Ltd. is proposing to construct the eReserve1 Battery Storage Project approximately two kilometers south of the Village of Rycroft off of highway AB-2. The facility will consist of a 20-Megawatt (MW) capacity lithium-ion battery storage system, located at the 01-09-78-05-W6M surface location.

The proponents are seeking input on the proposed project from interested stakeholders. To learn more about the project and to provide input, we invite you to join us at our community open house.
