Subject: Notification: Changes to ATCO Electric Street Light Rates and the Multiplier

Good Afternoon Peter,

ATCO Electric would like to notify the Town of Rycroft of the changes to the Street Lights rates, effective Jan 1, 2020. This change in rates is approved by the AUC in Decision 24881-D01-2019.

The result of the decision means the LED Conversion Multiplier percentage will go from 6.7% to 7.3%. This change in the percentage still reflects the same dollar value per fixture, applied for the use of the Multiplier.

To review ATCO Electric rates, please visit our website: <https://www.atco.com/en-ca/for-home/electricity/rates-billing/regulatory.html>

Please feel free to contact us if you have any questions.

Have a Great Weekend!

Thank-you,

Shelley Abram
