Yes that should work okay – just pretty much looking for a letter of support for this project – I have the certificate of non profit incorporation and our lease agreement but because the ball diamond land is owned by the village I just need a letter saying the village supports this project and can accept a cheque from the Co-op and forward it to us.  
Thanks Danny

Hi Danny,  
We missed the deadline for the upcoming meeting this Wednesday, the next council meeting is Feb 18... would that give you enough time to submit?  
Let me know  
Thanks

Lisa  
I see Peter is gone so am forwarding this to you!  
Thanks Danny

Peter,  
I am applying to the New Horizon Co-op Community Spaces grant of \$25,000 for the sod work at our diamonds to help with this cost. As part of the application I need:

**\*Must upload certificate of non-profit incorporation as a supporting document. If your non-profit is working with your local Municipality, you must upload a letter of support confirming your partnership and their ability to accept funding on your behalf.**

**Is this something we can get from the village? If so please email me the letter of support and the being able to accept funding on our behalf. We have to send in by the end of February.**

**Thanks Danny Zahara**
