Subject: Central Peace Ministerial Association /letter of support

Good afternoon,
I am writing to you on behalf of the Central Peace Ministerial Association, to ask if you could write a letter of support, regarding our Charitable endeavors in the Central Peace area.

Attached is a sample letter that I made up from our church .

The Central Peace Ministerial Association is applying at this time, for their Charitable Status. The letters we are requesting from concerned FCSS, MD's, Counties, Associations, Towns and Villages; would recognize the need for the Central Peace Ministerial Association in their area or town.

Our major contribution to the area is through the Virtual Food Bank. From the B.C. border to Eaglesham, north to the Peace River and south to the Saddle Hills - we have no actual, physical food bank that a person could walk into, to receive groceries. In light of the large area, and needs of low income families or persons in immediate need, a Virtual Food Bank has been created.

As a group of ministers in this large area, we encourage fundraising efforts for the Virtual Food Bank. We find that individuals, service groups, Ag Societies, churches, clubs put on suppers, special music and entertainment, to raise funds as a community for this project. This brings us together, supporting each other.

Gift cards to the local grocery stores, IGA and Co-op can be accessed through the churches (ministers). All it takes is a phone call, and the Virtual Food Bank can be put into action, and gift card/cards supplied. The persons do not need to travel to the nearest food bank, in Grande Prairie, using valuable funds. Some need groceries, and have no vehicle. We make a way for food to be accessible.

Thank you for your time, and if their are any more questions, please call me at the number below.
Please forward any letters to my email, as soon as you are able, so that we may move forward with the necessary government paperwork. If you know of any individuals or service groups that may want to add their support in this way, please pass on this email.
Thank you,
Pastor Wendy Oe
