Her Worship Diahann Potrebenko
Mayor
Village of Rycroft
PO Box 360
Rycroft, AB T0H 3A0

Dear Mayor Potrebenko:

I am pleased to advise your council that your project, Sewage Force Main and Lift Station Upgrade, will be funded under the Alberta Municipal Water/Wastewater Partnership (AMWWP). Additional grant funding is being provided under this program to help stimulate economic recovery and support job creation.

Based on your submission/application, the Village of Rycroft will receive a grant of 75 per cent the estimated eligible project costs, or up to \$433,500 for the project under this program. The final grant amount will be based on the actual eligible costs at the time of the project completion up to a maximum grant of \$433,500. With this funding, the municipality/commission will be solely responsible for all costs to operate, maintain, repair and replace the completed works.

Alberta Transportation is pleased to be able to provide this funding as we recognize that supporting water and wastewater infrastructure is critical to the quality of life, economic growth and residency of Alberta's communities.

Alberta Transportation staff will be in contact with your administration to formalize the funding agreement to undertake this work.

Sincerely,

Ric McIver
Minister
