Subject: Hall use request

The Central Peace Picklers have had a great season in the arena throughout the summer (while following covid guidelines). It was enjoyed by 8 to 16 players each evening and we would love to be able to continue this winter. Unfortunately the school gym is not an option for us due to covid restrictions. We are wondering if it would be possible for us to use the Rycroft Community Hall for our games. This would involve marking out one court with divisions. Our net is self supporting, sits on the floor and is easily stored. We would appreciate councils consideration and hope to be able to continue playing pickleball throughout the cold winter months.
