Subject: Pickleball at Hall

Hi Peter,

Being that our season is coming to a closure at the Rycroft Arena, we would like to find a place to continue to play throughout the cold winter months.

Barb and Bob Deley, along with myself measured out the floor at the Rycroft Community Hall. Unfortunately, there is only room for one court in the main Area.

We were hoping that we were able to hire out someone to paint a court in the main area to continue with the fun sport that is keeping many people active.
