Dear Mayor Verquin,

The Government of Alberta is proud to provide municipalities with new infrastructure funding through the Municipal Stimulus Program (MSP). The MSP will help your community recover from the economic challenges posed by the pandemic and the downturn in energy prices. It also positions communities to support local jobs and participate in future economic growth.

I am pleased to accept the following eligible project submitted by your community under the MSP program:

Relining Wastewater Main Pipe: \$72,748

My ministry welcomes the opportunity to celebrate your MSP project announcements with you. Municipalities are encouraged to refrain from making an MSP public announcement unless you have been in contact with your local MLA, or my office directly for approval, toll-free at 310-0000, then 780-427-3744, or at Minister.MunicipalAffairs@gov.ab.ca.

As partners in supporting Alberta's communities, I look forward to working together to move your infrastructure priorities forward.

Sincerely,

Tracy L. Allard
Minister
