In January we applied for our twice yearly Public Services Bodies' GST rebate in the amount of \$25,279.

We did receive an advance payment of \$88,000 from the Alberta Emergency Management Agency for our Disaster Recovery Program project of repairing our weir and water intake. Jim Uhl will work with MPA Engineering to proceed with this project as planned in our 2021 capital budget plan.

I have booked the services of Dr. Gord McIntosh to lead Council through a strategic planning session December 14 evening and December 15 day.

An 'Election Candidate Information Package' has been posted to our webpage as a reference for prospective Elected Official candidates.

We have received another development permit for a new house at 4616 50 street that will be advertised in the newspaper.
