Subject: M.D. of Spirit River Subdivision Applications 01-SD-21 and 02-SD-21 Circulation Package

Good afternoon,

Please find attached a circulation package with information relevant to two new subdivision applications in the M.D. of Spirit River.

Application 01-SD-21 concerns the subdivision of River Lots 1 and 2 78-5-W 6M (privately owned), while application 02-SD-21 refers to the subdivision of SW 4-78-5-W 6M (owned by the M.D.). Both applications have been packaged into a single circulation notice since the ultimate purpose is to consolidate and rezone the subdivided parcels. For further details please review the attachment.

You can use the form included in the first page of the circulation package to submit any comments you may have by March 24, 2021. Feel free to contact me if you have any questions or concerns.

Cheers,
