Central Peace Fire & Rescue Association
Attention: To Whom it may Concern.

Canada Day is just around the corner. The Central Peace Fire Association is looking for monetary funds to purchase fireworks for this year's Canada Day Celebration. We understand that at this time you may not be able to donate, and that is ok. There are other ways you can help us out. Partnering with us in this event by helping set up blockades or parking vehicles provides much needed assistance during and after the event.

As we are still under Provincial restrictions regarding Covid-19, this year will be different but not unattainable.

Thank you for your time and consideration in this matter.

It is our honor to server our community in this capacity.

Advised we have a \$2,000 grant available for Canada Day. And let us know if they need to borrow barricades or whatever.
