Subject: KeepAlbertaRCMP Community Engagement Tour on the Proposed APPS

****REMINDER / New Session Added: Fairview****

Dear Mayor Verquin and Village of Rycroft Council,

I am reaching out to you to invite you to our upcoming Community Engagement Tour regarding the recently released PricewaterhouseCoopers (PwC) APPS Transition Study and what this may mean for you and your community.

While the Government of Alberta (GoA) states that the report “found the concept was realistic, cost-effective and worth further study” as well as puts “more frontline personnel in communities across Alberta at equal or lower cost”, we have found the GoA Report to be overlooking and omitting vital details which will have a tremendous impact on municipalities across Alberta.

As Premier Jason Kenney continues his push for a police transition Albertans don’t want, the NPF is travelling the Province to discuss these issues directly with Mayors, Councillors, stakeholders, and all Albertans. We hope you will be able to join us to share your unique perspectives, thoughts, and concerns. We look forward to having this conversation with you and your community.

The KeepAlbertaRCMP Community Engagement Tour will be open to the public, please forward this message on to those who may be interested in attending. Due to COVID-19 regulations, all participants must comply with venue restrictions including the wearing of masks. As well, we ask all participants to RSVP to ensure we stay within capacity limits and so that we can contact you should any details change.

Please note that unfortunately we have had to cancel our session in High Level on the morning of March 2nd but we have added a session in Fairview that afternoon. If you have already registered for an event but would like to attend in Fairview instead, please RSVP for Fairview and email us at KeepAlbertaRCMP@npf-fpn.com to cancel your other RSVP. We apologize for any inconvenience.
