## NOW OPEN: AC 2022 registration

This is the moment you've been waiting for: registration for FCM's 2022 Annual Conference and Trade Show is now **open**.

Your favourite conference is back with a unique hybrid format and a [fascinating program](#) that'll feature something for everyone. Join us in Regina June 2-5, or connect online, to be part of Canada's fullest gathering of municipal leaders since 2019.

Two years into supporting our communities through a pandemic, the FCM family is coming together to drive a strong, inclusive recovery. We'll be focusing on the cities and communities we want to build on the other side—together.

This year's hybrid conference brings the best of previous gatherings to life—in-person and online—as your one-stop shop to gear up for recovery:

- Get new recovery tools and ideas through [workshops](#), panels and networking events.
- Engage with federal leaders and senior officials as they debate Canada's recovery.
- Connect at the [Trade Show](#) with partners and suppliers who'll be allies in recovery.
- Learn how FCM's programs, like GMF and MAMP, can support your recovery efforts.
- Shape the national municipal agenda by electing FCM's 2022-23 Board of Directors.

- Experience beautiful Regina through our innovative [study tours](#) (and after hours!).

### Booking your trip to AC

For help booking your trip to Regina, please see our [Travel & Hotels page](#) on our website. It details transportation options to get to Regina (with discount codes), and lists hotels where FCM has reserved blocks of rooms.

AC 2022 is a key moment to shape Canada's nationwide recovery, and to gear up to build better lives for the people living in our cities and communities. Don't miss it!

Early-bird rate applies until April 22.
