Good afternoon. Please see attached email and document. The Village of Rycroft leases land from CN for a park. That lease term is coming to an end (2022/05/30). In 2012 Norma Maxwell signed the renewal, see attached 2012 renewal. CN is willing to extend the lease term for another 10 years with a lump sum payment of \$7500 plus taxes. I just require a signature to finalize the renewal. If you have any further questions please feel free to contact me.

Thank you
