**Subject:** Peace Wapiti Public School Division 2023-2026 Capital Plan

Good Afternoon,

Peace Wapiti Public School Division recently approved its Capital Plan for 2023-2026 and, as required by the *Education Act*, is pleased to share it with our municipal government partners. We value your collaboration. By working together, we can best serve the needs of our students and more effectively manage the use of public resources.

You can access the Capital Plan and read the most recent information about it from the following links:
