NAEL MEETING JUNE 10

Dear NAEL Members,

Our June 10th meeting is fast approaching! While the date and time (10 am - 2 pm) are the same, due to logistics, the Executive have moved the meeting to Grande Prairie, at the Delta Hotels by Marriott. We have secured a special group rate if you are coming in the night before or staying after the meeting, please find the link below.

You have two options to attend, by Zoom or even more exciting- back to in person!

We ask that you please confirm your attendance either way, and let us know if you have any dietary concerns for the lunch that will be provided.

We have an exciting line up, with 5 MLA's confirmed in attendance for provincial updates, as well as a presentation from Todd Hirsch, Vice President and Chief Economist for ATB Financial.

Please watch for agendas and the Zoom link to arrive next week.

Thank you

Jim Rennie
