

2022/05/18

Cpl. Sebastien FLEURY
Detachment Commander
Spirit River, Alberta

Dear CAO, Reeve, Mayor and Councillors,

Please find attached the quarterly Community Policing Report for Spirit River Detachment. This report serves to provide an overview of the human resources, financial data, and crime statistics for the January 1st to March 31st, 2022 reporting period. Community engagement remains a top priority for the Alberta RCMP, and the consistent delivery of these quarterly reports is but one of a number of projects we have underway. Our Body Worn Camera program and our new mobile app for iOS and Android devices are two other initiatives that ensure we remain transparent and accountable to you for the work we do.

Body Worn Cameras increase the transparency of police interactions with citizens. Included in this Community Policing Report package is an updated overview on Body Worn Cameras, which will enter into a field test phase later this year. As mentioned in previous correspondence, the Federal Government recognizes that this was not in the multi-year financial plans for Contract Partners, and thus has agreed to fund the first 3 years of the roll-out. This has allowed some time for Contract Partners to factor this into their future planning processes (i.e. MYFP). As we are currently awaiting the vendor procurement process to finalize, we are unable to provide community-specific cost estimates. Once costing is confirmed, we will provide financial forecasting to our communities with Municipal Policing Service Agreements.

Alberta RCMP has launched a new mobile app for iOS and Android devices, that allows for Albertans to access information without delay. The app is available as a free download through [Apple](#) or [Google Play](#), and will provide your community members with online access to news, crime reporting, detachment locations, crime mapping and statistics. The app also contains links to partner law enforcement services, mental health supports, Crime Stoppers and connects to Alberta RCMP social media accounts. Even though the app provides convenient links to Alberta RCMP social media accounts, it will not replace other methods of crime reporting, engagement, or emergency assistance. I solicit your support to remind all of your community members that social media posts or use of other third-party crime apps are not

appropriate ways to report a crime. The Alberta RCMP app complies with Canadian privacy laws for mobile apps set out by the Office of the Privacy Commissioner of Canada and the Office of the Information and Privacy Commissioner of Alberta and will not track or monitor users in any way.

The attached reporting and attachments, along with your valued feedback and guidance, will reinforce your policing priorities and help ensure we are meeting the growing and shifting demands of your community. As the Chief of Police in your community, I sincerely appreciate and encourage you to reach out with any questions or concerns.

Sincerely,

Sebastien FLEURY
Detachment Commander
