Village of Rycroft
Request for Decision

Council Meeting Date: May 17, 2022

TOPIC: To set a dry arena floor rental price for individuals and other user groups.

RECOMMENDED ACTION: That Council set the dry arena rental at $65/hr for individual/group rentals, and this rate be added to the Master Rates Bylaw.

BACKGROUND: We collected three quotes for comparison from surrounding municipalities.

- Spirit River Ag Society does not have a set rate to charge. Each case is handled individually based on the circumstances. Ranges from no charge to $70/hr.
- Town of Fairview charges $65/hr regardless of who is renting.
- Town of Sexsmith charges $70/hr regardless of who is renting.

Users will be expected to leave rooms/floor as found, as this price does not include any clean up services. Janitorial charges would be extra.
All users will be required to have clean indoor footwear.
The renter must be a responsible adult, as they are responsible for all activity and supervision of users.
The Pickleball group will continue with their agreed arrangements as previous years. Council would be open to entering into an agreement with any other community user group to increase activity and recreational options for the region.

FINANCIAL IMPLICATIONS: Opportunity for increased revenue at the arena in off-ice season depends on interest.

POLICY AND/OR LEGISLATIVE IMPLICATIONS: None.

ALTERNATIVE OPTIONS:
1. Council could motion to not rent out the dry arena.
2. Council could suggest a different rental rate.

ATTACHMENTS: None.
