June 10 – NAEL meeting  
June 15 – Doctor's Lease Committee meeting  
June 18 – CPFA Golf  
June 20 – Water Intake/Weir Project warranty meeting  
June 21 – Council meeting

The annual Statistical Information Return was submitted to the Province.

We donated some garbage bags to the school for the kids for their community litter picking day. We then went and collected the filled bags they left on the side of the road.

More unsightly premises letter were sent with fines issued. We did a tour of the community June 15 and 17.

Our current electricity rate is from 01-01-2019 to 12-31-2023 at \$0.04975 per KWh.

We had some rock let loose of weir by our water intake and have called the engineer to review it for warranty work.
