

## Chief Administrative Officer Report August 31, 2022

August 15 to 26 – CAO Vacation

August 31 – Merry Pioneers mtg

September 1 – Grantmatch Corp mtg; Alberta Crime Prevention Grant Webinar

September 2 – Development Permit site visit

Alberta Environment and Parks completed a Drinking Water Facility Inspection on August 10 with myself and our Water Operator Taylor Rudrum. They noted there is a lot of good work happening throughout the system and also noted improvements that can be made to our operation.

The closing date for the sale of 4516 46 avenue was extended from September 7 to September 19, due to buyer circumstances.

The repairs to weir/water intake are planned for September 12 to 24. If the contractor is freed up sooner from other jobs, they will start sooner.

New Line Industries will be completing the sewer re-line project the first weeks of September.
