Please tell us a bit about your organization's history, mission, and scope.	Greenway Cemetery was established in 1916 to provide a service and resting place for residents of the Rycroft area. The Board and members

goal is to maintain the cemetery in visually appealing ways, part of which is regular mowing. This entails mowing between the headstones as well as the larger area.

What are your organization's most significant accomplishments in the past three to five years?

The Bylaws have been completely rewritten and filed with Alberta Registries, all burials requiring headstone repair or replacement have been identified, two workbees this summer have removed broken grave covers and filled sunken graves and soil reseeded, about 35 new headstone markers have been made and will be installed next year, half that families are paying for and half that the Greenway Cemetery is paying for from savings as families are no longer present.

Does your organization have any major partnerships or alliances with any other organization(s) in the field?

We work closely with Peace Country Memorials

Please describe the benefit your project will provide to the Village of Rycroft.
