Dear Mayor and Council Members.

I write this letter to request your financial support in the amount of $3,000 for 2023 budget year to offset our operating costs of our service in your area

The victims that we provided services to in your area indicated satisfaction and felt that our service was beneficial. We assisted on 22 files by guiding and supporting the victims through court support, information, and referrals.

It is my hope that you will also agree that our supports are beneficial to victims of crime and tragedy, and you will support us for 2023 fiscal year.

This may be the last year we will be reaching out to you for your generous financial support that you have provided to us over the past years. Solicitor General is moving Victim Services to a regionalized model. The province will be divided into zones, each zone will have a regional office and will be governed by a board of directors. If the transition goes as planned the new model will be in place April 1, 2024, and all we will be closing our doors on March 31, 2024.

If you have any questions or concerns, please contact me at your convenience.

Respectfully,

Joan Ridsdale
