

Village of Rycroft
Request for Decision
Council Meeting Date: March 21, 2023

TOPIC: Alberta Community Partnership Grant for a Regional Recreation Study

RECOMMENDED ACTION: That Council supports the Town of Spirit River as the managing partner in a submission of a 2023/24 Alberta Community Partnership grant application to create a Regional Infrastructure Master Plan for Recreation and Municipal Service Delivery.

BACKGROUND: The Town of Spirit River would like to apply for this ACP grant in order to confirm an assessment of the regional recreation facility inventory and condition.

The purpose of the Regional Recreation Master Plan study is to proactively conduct a regional review of the current state of recreational assets, programs, and services available in the region. This will also assess and identify the regional and municipal capacity to deliver recreational services deemed critical to the region's sustainability. It will be a partnership between the Town of Spirit River, the Municipal District of Spirit River, and the Village of Rycroft.

At this time, they are requesting a motion from both the MD of Spirit River and the Village of Rycroft in support of their application.

FINANCIAL IMPLICATIONS: There is no matching contribution required.

POLICY AND/OR LEGISLATIVE IMPLICATIONS: None.

ALTERNATIVE OPTIONS:

1. Council could decline to participate and accept the topic for information.

ATTACHMENTS: None.
