Dear Mr. Verquin,

I am writing to introduce you to Wellspring Alberta, an extraordinary resource for people living with cancer and their caregivers and supporters.

In Alberta, Wellspring is the only organization that devotes itself exclusively to supporting those facing cancer by attending to the non-medical aspects of living with illness. Our vast array of evidence-informed programs are designed to inform, empower and nurture individuals – to give them a network of resources, tools to manage illness, and a vastly skilled community of support.

If you've heard of Wellspring, you may have heard the good news that last fall, Wellspring Calgary and Wellspring Edmonton merged to form one Wellspring Alberta – a stronger, unified cancer support organization province-wide. This is great news for Albertans and their families who are living with cancer.

At Wellspring all programs and services are offered free of charge and without the need for referral. Those who seek our services can access us at any of our three centres in the province (see addresses below), or join our online community. We are also in the process of establishing satellite Wellspring locations in rural Alberta communities.

Since inception in 2007, Wellspring Alberta has been devoted to its mission to ensure no one has to face cancer alone. After 16 years, we remain steadfast in this commitment and we have expanded and evolved to meet the ever-increasing demand for our services.

This is where I want to ask for your assistance. As Mayor, you have the ability to reach many people and help us to extend this lifeline of support. It is my request that you share the enclosed brochures with any of your constituents who may benefit from the programs, services and supports provided by Wellspring.

I also wish to personally invite you to come and tour one of our three centres, so you can learn about the programs and services we offer and see first-hand the impact of the work we do.

On behalf of those living with cancer and those who love and care for them, I want to thank you in advance for taking an interest in Wellspring, and for helping to ensure no one has to face cancer alone.

With sincere gratitude,

N. Noble
