Subject: STARS - Fire & MFR Recognition Event

Hi everyone,

Please accept this email as an initial placeholder for our upcoming event to recognize Birch Hills contributions to STARS with an official unveiling of our logo on a STARS helicopter. We will also be recognizing the efforts of our Fire and MFR departments and the important services provided. Please share with your Councils and join us on June 21st from 11:30 – 1pm. At the Eaglesham Ag Society Grounds. Lunch will be provided.

Please confirm your attendance. Further details are forthcoming.

Sincerely,

Larry Davidson CLGM

Chief Administrative Officer
