Dear Future Sponsor:

The Kinette Club of Spirit River is excited to announce the 21st Annual Hole-In-One Charity Golf Tournament coming in September!

We plan to continue our efforts to fundraise for our multi-tiered project, and hopefully, with your support, we can push forward to bring our vision to reality! The main purpose of the event sign is to inform the public of local events like hockey games, craft shows, school sports, the Spirit Days schedule or to display emergency information and instructions if needed, i.e. fire evacuations. It's also a great opportunity for businesses to advertise, network, or post hours of operations.

Please consider taking part in our project plan, by choosing any of the following:

1. Platinum Sponsor- $2000
   This level sponsorship will contribute to the main flow of the tournament, receive large logo advertising, on social media as well as on the course, on the clubhouse list of sponsorships and in the scorecards used for the tournament.

2. Gold Sponsor -$1000
   This level of sponsorship will contribute to the food served throughout the tournament, receive advertising on the course, social media, as well as the clubhouse list of sponsorships and will be included on score cards.

3. Silver Sponsor- $500
   This level of sponsorship will contribute to hole insurance and prizes as well as tournament theme holes. Advertising will be on social media, as well as the clubhouse list of sponsorships.

4. Bronze Sponsor - $350
   This level of sponsorship will contribute to prizes and tournament theme holes. Advertising will be on social media, as well as the clubhouse list of sponsorships.

The Kinette Club, along with the Chinook Valley Golf Course plan to host the tournament:
September 7, 2024
