Good morning Peter - I have attached copies of the Mighty Peace Tourism Bylaws and Code of Conduct. We generally hold four board meetings throughout the year. Board member responsibilities are included in the first section of the bylaw document. Dates of the remaining two board meetings for 2024 are August 26th and October 28th. Meetings are held in either Peace River or Grimshaw in the evening, I will send out a reminder and location information approximately 30 days prior. Please let me know if you have any other questions or concerns, I'm always happy to help. Thank you

> Any staff or council members interested in creating a profile to access the photo/video bank, meeting documents, marketing materials and research and much more, can do so HERE. There is also a board position available to a council member representing Rycroft. The next board meeting will be held August 26th in the evening - location TBD. Please send me the contact information of the person interested in participating on our board and I will add them to my contact list. As soon as payment is received, we will begin working on Rycroft's website listing and Top 5 lists. If council and staff have ideas about what they would like to see included in the community's top 5 summer and winter lists as well as the communities tourism assets that you'd like included on our website, please send them our way. I will be in touch to gather feedback and approval on all these items as we go. We look forward to working with Rycroft through 2024!
