

## **Julie's Farewell**

As I prepare to say goodbye to Central Peace FCSS and the Central Peace region, I find myself reflecting on this journey that began in November 2017. It has been an honour and a privilege to serve as your FCSS Coordinator for nearly 7 years, being a part of the growth and impact of the organization.

I have a deep appreciation for the FCSS program, and an unwavering belief in its mission and potential. Our impact has been bountiful, thanks to the dedicated efforts of our FCSS Board and our community. Together, we have built a strong, supportive program that continues to thrive and make a difference in the lives of many within our Central Peace region.

As I move on to new endeavors, I am filled with gratitude for the experiences and relationships that have enriched my time here. The spirit of collaboration and commitment I have witnessed through our community endeavours will forever hold a special place in my heart.

Thank you for your support and for allowing me to grow as a leader in this remarkable program. I am confident that FCSS will continue to benefit the community, and I hope for many new initiatives for this community from FCSS.

With heartfelt appreciation,

*Julie Temple Booth*
