

Central Peace Food Bank Society, Box 91, Rycroft, AB., T0H 3A0

Village of Rycroft Council, Box 360, Rycroft, AB, T0H 3A0

January 23, 2026

Dear Sirs:

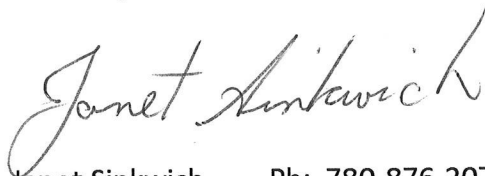

The Central Peace Food Bank Society thanks you for your past support of our food bank. We serve the five municipalities in the Central Peace Region by providing food and some other basic needs for residents requiring support.

The food bank began nearly six years ago when a group of women identified a need within our communities and formed a society. Because we are a 100% volunteer organization, our board members give many hours of service. Initially, food was taken from our own pantries and food was purchased with our personal funds. We reached out to municipalities, businesses, churches, and individuals for support. We have been blessed with tremendous support from many in our communities and we do our best to fulfill the needs.

We have the pleasure of serving many residents from the Village of Rycroft. In the past year our food bank usage increased by approximately 10%. In our current economic situation we believe the upward trend will continue. This will put more strain on our ability to provide.

Any help that the Village of Rycroft can give us will be greatly appreciated. We would be happy to speak to council about our food bank, the service it provides, and the needs of residents in our communities. Please feel free to reach out to us with any questions or comments about the food bank.

Sincerely

Janet Sinkwich      Ph: 780-876-2075

Chairperson, Central Peace Food Bank Society
