

# Chief Administrative Officer Report

## March 17, 2026

### **Governance and training**

#### **Ongoing projects**

- With the upcoming warm weather Public Works has rescheduled its staffing coverage to ensure plowing can happen on warm days even if they occur after hours.
- No update on progress with daycare proposal
- Village received 2 request for permits for installation of residential solar panels.
- Data from CPP forwarded to RCMP for next step planning for Community Policing Concerns.

#### **Village buildings and assets**

- Public works will be attending to seasonal deficiencies of village building after this weeks road / ice removal.
