Hello Tanis:

I have added your request to the next Council meeting agenda.
Council decides on Funding / financial support for community associations and teams.

Unfortunately, their next meeting is April 1.
Should they decide to assist the fund would come behind your tournament date.

I wish you and the team the best of luck and hope to reach out to you on April 2.

Subject: Attention Mr. Keller regarding Spirit River u18 push to provincials

Good morning Mr. Keller,

I am writing to respectfully request a financial contribution to support our U18 T3 Spirit River Rangers as they travel to Coaldale, AB to represent Spirit River, Saddle Hills, Rycroft, MD 133, and Birch Hills.

These players have just completed a hard-fought league playoff run, emerging victorious against 10 other teams from across the Peace Country and Northern BC. Earning a spot at Provincials is an incredible opportunity for our youth and a celebration of their dedication throughout the season.

The team has had an exceptional year on the ice, thanks to their strong work ethic and the support of those around them. The journey was not always easy, but their grit, determination, drive to succeed, and commitment to teamwork have brought them to this point.

We are asking for your support to help them reach their destination and represent our communities with pride at the provincial level. Our team consists of 19 players, 2 affiliated players, 3 coaches, and a large group of supportive families and volunteers behind them.

Earlier this season, the players worked hard fundraising to purchase team jackets and show their Rangers pride. Thanks to the generous support of our communities, we were also able to set aside some funds in hopes that a trip to Provincials would become a reality. However, transporting 21 players across the province by bus has left us with a substantial shortfall.

We kindly ask you to consider contributing to our team—your team—as we take this next step.

Our departure is scheduled for March 25, 2026, at 9:45 a.m. With your support, we hope to make this journey possible and bring further recognition to our area to accompany their recent league victory.

Thank you for your consideration,

Tanis Martin
Manager, Spirit River U18 T3 Rangers
