

**Village of Rycroft
Request for Decision**

Council Meeting Date: May 19, 2026

TOPIC: Fencing of the 52 St. Seniors Park 2026

RECOMMENDED ACTION: That Council approve the quote from Wapiti Fence for the chain link fencing install as outlined in their quote, for a value of \$5,640 plus GST.

BACKGROUND: We requested three quotes for the work to install new fencing on the existing poles enclosing the yard.

Area to be addressed:

1. Need actual address of the seniors park.

Responses

1. Wapiti Fence **\$5,640.00 + GST**
2. Elevate Fencing **\$8,749.14 + GST**
3. Not received prior to Council

FINANCIAL IMPLICATIONS: Based on the Village's approved 2026 budget, there remains about \$4,000 in the park's enhancements and maintenance budget and Administration is comfortable suggesting that this expenditure will not negatively impact the overall Public Works budget.

POLICY AND/OR LEGISLATIVE IMPLICATIONS:

ALTERNATIVE OPTIONS:

1. Council could defer the entire program, address the costs (now we know the costs of the work) in the 2027 budget, and put the work out for quotes early in 2027.
2. Council could motion to reject the bids and cancel the project.

ATTACHMENTS: None.
