Dear Members of Council,

I wish to be in contact with a person whose family and relatives are (or were) living in the Rycroft area. The Family name is "Buck." The woman with whom I wish to make contact is Katrina Buck. Her father was Gary Buck, mother's name was Patricia. She had 3 siblings, two whose names were: Allyssa and Jeremiah.

I have in my possession memorabilia, antiques and keepsakes I believe Katrina would value, appreciate and hold dear. To be in contact, I have tried the printed phone book, Face Book and LinkedIn all to no avail.

Respectfully, I would appreciate any information members of council would provide me. Even the smallest lead might make all the difference.

Thank you for taking the time to read and ponder my request.
