CALL TO ACTION
TO THE GOVERNMENT OF ALBERTA

Dear Premier,

Albertans deserve safe and healthy communities where residents can rely on essential public safety, health, social, and justice systems. Provincial and municipal governments share responsibility for achieving these outcomes, and municipalities expect the Government of Alberta to be a transparent, accountable, and reliable partner in delivering them.

Municipalities are on the front lines of community safety, working closely with residents, businesses, and law enforcement partners every day. Despite this, municipalities have not been provided with a clear, transparent, and evidence-based plan outlining the full financial, operational, and public safety implications of establishing an Alberta Sheriffs Police Service (ASPS) or transitioning policing responsibilities away from the RCMP. No comprehensive feasibility study, detailed costing model, or long-term funding framework has been made available to inform municipal decision-making or public understanding.

At the same time, Alberta's existing policing and public safety systems are under increasing pressure. Challenges related to rural crime, mental health and addictions, and violent repeat offenders require immediate and sustained investment. Rather than diverting significant public funds towards the creation of a new police service, the Government of Alberta should prioritize strengthening and properly resourcing the systems already in place.

Policing reform must be guided by evidence, transparency, and public confidence. Decisions of this magnitude, affecting community safety, municipal budgets, and taxpayer dollars, must be made in partnership with municipalities and with the clear support of Albertans.

We, the undersigned, call on the Government of Alberta to:

- Cease further investment in and advancement of the Alberta Sheriffs Police Service as a replacement for RCMP municipal policing.
- Release a comprehensive, independent, and publicly available feasibility study, including full lifecycle costing, governance structures, and operational impacts of any proposed policing model changes.
- Seek explicit public support before proceeding with any plan to replace or significantly restructure policing in Alberta.
- Strengthen Alberta's existing policing model by:
  - Increasing RCMP officer levels and resources in communities, while ensuring sustainable and predictable funding; and
  - Invest in the Alberta Sheriffs' existing mandate as a complementary public safety service, including targeted enforcement, rural crime initiatives, and court security.
- Strengthen the justice system by addressing bail reform challenges and repeat violent offending; increasing the number of Crown prosecutors and Provincial Court judges; and ensuring timely access to justice.
- Expand integrated public safety approaches, including police and mental health crisis teams, addiction supports, and community-based crime prevention initiatives that address root causes of crime.
