RE: Beaver First Nation Treaty Land Entitlement Settlement - Proposed Land Selections for Addition to Reserve – Notification

Dear Kevin Keller,

On behalf of the Government of Canada, I wish to inform you that the Beaver First Nation and the Government of Canada have been working together to resolve a longstanding Beaver First Nation Treaty Land Entitlement Specific Claim. The claim relates to the insufficient provision of reserve land for Beaver First Nation under the terms of Treaty 8.

Pursuant to the proposed settlement of this claim, Canada is contemplating setting apart as reserve the enclosed land selections for Beaver First Nation's exclusive use and benefit, pursuant to Canada's Additions to Reserve Policy.

As part of the Additions to Reserve process, organizations, local governments and municipalities are provided the opportunity to provide feedback and comments to Canada. If you would like to provide any additional input on the Beaver First Nation Addition to Reserve proposal please respond via email to BFN-TLE-Consultation@rcaanc-cirnac.gc.ca.

For more information on Specific Claims and Canada's Additions to Reserve Policy, I invite you to review the following websites:
