Chief Administrative Officer Report
November 4, 2026

Ongoing projects

- Village is ready for construction to begin on new waterline installation. Plan is to have project completed in November 2026 less some groundwork and beautification, due to be completed in summer 2027. CN and Alberta Transport approvals have been granted.
- Request for Proposal has been placed on Alberta Purchasing Connection (APC) for auditing services over a 3-year term 2027-2029.
- Daycare survey has been extended until November 30th, 2026.

Village buildings and assets

- Public Works is completing an inventory of deficiencies for the Rycroft Community Hall, prior to lease renewal.
